# Request For Variation (RFV) Module Work Flow

Note;

1. Once RFV had been approved, the system allow to conduct RFV claim at post contract.

2. RFV claim is a temporary claim that when VO not yet approve.

3. Once VO for that RFV had been approved, the user have to make the claim for that VO if the VO already have RFV claim previously because the system will auto deduct out the previous RFV claims for that VO.
