Rationalize Tenderer Technical Score

1. Login eProject and open a project. Once technical evaluation is opened, click at **“Tendering”** and **“Technical Opening”** menu and then click at **“Tender”** to view.

2. Click at tenderers' name to rationalize their technical score based on submitted technical criteria.

3. Under **“Technical Evaluation Form”**, you can amend tenderers' submitted technical criteria with remarks.

The screenshot shows the 'Technical Evaluation Form' for ALIBABA CONSTRUCTION & DEVELOPMENT CORPORATION HOLDING SDN BHD. The form is titled 'Technical Evaluation Form' and has a close button. The tenderer's name is displayed at the top. The form is divided into sections for 'Technical Capability', 'Project Organisation Chart', 'Project Director', and 'Project Manager'. The 'Project Director' section is expanded, showing three radio button options for experience levels. The first option, 'Experience ≥ 10 years', is selected, and the 'Remark' field is filled with 'Valid'. The 'Project Manager' section is also expanded, showing two radio button options for experience levels. The first option, 'Experience ≥ 10 years', is selected, and the 'Remarks' field is empty. The form has a progress indicator '43 / 43' and buttons for 'Close', 'View Log', and 'Save'.
